HONORING THE LIFE OF DANIEL C. HOLLOWAY

HON. GRACE F. NAPOLITANO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 15, 2020

Mrs. NAPOLITANO. Madam Speaker, I rise with great sorrow to honor the life and long career of public service of City Council Member Daniel C. Holloway of La Puente, CA.

Dan was an outstanding leader for his community of La Puente, where he served in many capacities over the years. He was a local activist fighting to keep Workman High School open and was a writer of community news with his column in the Highlander Newspaper called, "The La Puente Lookout." Dan was on the planning commission, where he served as Chairman twice, and he had been on the City Council for the past 13 years receiving the highest vote total of any council member multiple times. He served as Mayor three times and Mayor Pro Tern four times. Dan was a staunch advocate for his city serving on many regional boards and commis-

sions, including the San Gabriel Valley Council of Governments and the National League of Cities.

Dan was a hero to our country having served in the Navy. He would later join the American Legion, and he designed the La Puente Veterans Memorial at La Puente City Hall.

Dan was a mentor to many and a great champion of our students. Most recently, Dan participated in the Life Experiences About Democracy (LEAD) program which teaches community and civic engagement by giving students real life experiences participating in government meetings, interacting with public officials, and working on volunteer projects in La Puente.

Dan was a great friend to me and so many who knew and respected him. I met Dan before he ran for office when he was a constituent advocating for improvements to our schools, healthcare system, and public services on behalf of his children, including his late daughter Kimberly, and all of our children. He was known for his kindness, honesty, and integrity, and that is why he was beloved by so many.

Madam Speaker, I extend my deepest sympathies to Dan's wife of over 50 years Hilda, his children Jennifer, Christopher, and Shannon, his family and friends, and his colleagues. The City of La Puente has lost one of its greatest leaders and champions. And we have all lost a great friend.
